Ten Principles of
ARYA SAMAJ

- God is the ultimate source of all true knowledge and of the objects that are known by its means.

- God is existence, intelligence and the Sat-Chit-Anand. He is formless, almighty, just, merciful, unborn, infinite, unchangeable, beginningless, incomparable, the support and Lord of all, all pervading, omniscient, imperishable, immortal, exempt from fear, eternal, holy and the Maker of the Universe. To Him alone worship is due.

- The Vedas are books of true knowledge. It is the paramount duty of all Aryans to read them and to teach them, to hear them, to read and to read them to others.

- We should always be ready to accept truth and renounce untruth.

- All actions should be done in conformity with Dharma after due consideration of right and wrong.

- The primary aim of the Arya Samaj is to do good to all mankind i.e. to promote their physical, spiritual and social welfare.

- We should treat all people with affection and justice and with due regard to their merits.

- We should aim at dispelling ignorance and promoting knowledge.

- No one should remain satisfied with his own welfare. He should regard his welfare as a part and parcel of the welfare of all.

- In matters which affect the well-being of all, a person should give a subordinate place to his personal likings. In matters which affect him alone, he is to enjoy freedom of action.

INTRODUCTION

A devoted personality, Dr. Banarsi Dass Soni, Ex. Capt. I.M.S., with a missionary zeal for medical education and patient care, conceived the noble idea of providing the much-needed medical care to the general public. This bloomed in the form of Arya Medical School in 1934. It was started in a rented building in Civil Lines, Ludhiana and admission was limited to only 20 students.

In 1936, management of the school was handed over to the Arya Samaj, Saban Bazar, Ludhiana, under the aegis of Arya Pratinidhi Sabha, Punjab. A separate Managing Body nominated by the Managing Committee of Arya High School, Ludhiana managed the Medical School. It was shifted to the new building (presently, Dayanand Medical College & Hospital, College Campus, Ludhiana) in 1937.

The Medical School was recognized for LSMF (Licentiate of State Medical Faculty) in 1938 and also for the running hospital attached to it. The following year, the Managing Body decided that the Ludhiana Medical School should, in future, be called “Arya Medical School” and the hospital attached to it “Dayanand Hospital”.
