TEN PRINCIPLES OF ARYA SAMAJ

- God is the ultimate source of all true knowledge and the objects that are known by its means.
- God is existence, intelligence and the Sat-Chit-Anand. He is formless, almighty, just, merciful,unborn, infinite, unchangeable, beginningless, incomparable, the support and Lord of all, all pervading, omniscient, imperishable, immortal, exempt from fear, eternal, holy and the Maker of the Universe. To Him alone worship is due.
- The Vedas are books of true Knowledge. It is the paramount duty of all Aryans to read them and to teach them, to hear them, to read and to read them to others.
- We would always be ready to accept truth and renounce untruth.
- All actions should be done in conformity with Dharma after due consideration of right and wrong.
- The primary aim of the Arya Samaj is to do good to all mankind i.e. to promote their physical, spiritual and social welfare.
- We should treat all people with affection and justice and with due regard of their merits.
- We should aim at dispelling ignorance and promoting knowledge.
- No one Should remain satisfied with his own welfare. He should regard his welfare as a part and parcel of the welfare of all.
- In matters which affect the well-being of all, a person should give a subordinate place to his likings. In matters which affect him alone, he is to enjoy freedom of action.

VISION AND MISSION OF THE MANAGEMENT

- To be a model of excellence in healthcare, medical education and research.
- To provide medical care with compassion and competence.
- To deliver highest standards of education in medical and allied fields.
- To continuously strive for quality improvement.

MESSAGE FROM THE MANAGING SOCIETY

Dayanand Medical College & Hospital is an NABH accredited, non-aided and not-for-profit charitable institute. It is registered under the Societies Registration Act, 1860 and is managed by Dayanand Medical College & Hospital Managing Society. DMC&H is the largest hospitals in India, our Medical college being ranked amongst the top Medical Colleges in the country by various surveys over the past many years. in effect, we are the most coveted Medical College in Punjab.

DMC&H was conceived in a rented building as Ludhiana Medical School in 1934 by late Dr. Banarsi Dass Soni, Ex Cap. I.M.S. with the noble idea of providing medical care the community. While the name was later changed to Arya Medical School, and thereafter to the present DMC&H, the spirit of serving society continues till today. From a rented building in 1934 to our current 72 acre facilities, It has been a dream journey. Be it our sprawling College campus, or fully equipped 1625 bedded Hospital, or College of Nursing, besides our satellite units in rural and urban areas, we are the preferred destination for students as well as patients from far flung areas. We are now a full-fledged Medical College and tertiary care Teaching Hospital, with the vision to be a model of excellence in healthcare, medical education and research. Our 1625 patient beds are supported by a staff of 5200 employees including 600-doctors, treating more than 4000 outdoor & 1000 indoor patients daily by state of the art equipment in the diagnostic services. We are dedicated to provide medical care allied with compassion & competence and to deliver highest standards of education in medical and allied fields. Hospital information system (HIS) connects all the hospital campuses and health centers across the city.

Dayanand Medical College is running MBBS, Postgraduate (Broad / Super Speciality), fellowship Programs, MPhil (Clinical Psychology), PhD (Public Health-Neurosciences), BSc and MSc (Nursing), NPCC and various Paramedical Degree & Diploma courses. The college of physiotherapy with 50 seats has started this year. Admissions in all courses at this college are done on the merit-base, through Baba Farid University of Health Science / Medical Counseling Committee.

DMCH&H has a Scholarship Program worth 6 crore, a first of its kind initiative by a private Medical College in the State to make medical education accessible to candidates pursuing MBBS, BSc Nursing, Allied & Healthcare and BPT courses based on merit, means and commitment to the institution. The initiative aims to promote quality education and inspire academic excellence.

We have well equipped specialized units like Hero DMC Heart Institute dedicated to patients with cardiac diseases and DMC&H Cancer Care Centre for patients with cancer diseases; Department of Critical Care Medicine for special treatment to the critically ill patients; Genetic Laboratory; IVF Centre;and Renal Transplant Unit. The Research & Development Centre actively supports our research activities by providing one stop solution for the research and dissertation requirements of students.

The institute provides subsidized treatment to patients with Cancer, Thalassemia, Cardiac & knee replacement surgery and to those who need financial support. About 80% of the patients come to our hospital from rural areas or economically weaker sections of society. Our Rural and community outreach programs serve the people in rural and slum areas by providing specialist care at highly subsidized treatment (including investigations) to them. Good quality medicines are provided with the lowest cost to the patients through our chain of Pharmacy outlets at the hospital and health centers.

Wishing all students a memorable stay at this institution and best of times ahead. For us, as we complete 100 glorious years in 2034, the journey has just begun !!

FROM THE DESK OF THE PRINCIPAL

Dear Applicant,

The management, faculty and staff of Dayanand Medical College & Hospital are looking forward to welcoming the new batch of young students for the MBBS course. As we celebrate >60 years of excellence in medical education, we are proud to announce that DMC&H is now ranked among the top 25 medical colleges and among the top 6 private medical colleges in the country. This has been possible due to the hard work and high values of the management. We are a not-for-profit institution and are continuously imbibing the latest technologies, systems and equipment's. We function with the core values of equity, ethics, transparency, teamwork and service to humanity. We try to instil these values of medical ethics amongst our students so that they contribute not only as competent professionals but also as good human beings.

Our vision is to be a model of excellence in health care, medical education and research. We work with the mission to provide medical care with compassion and competence. We adopt the latest methods of medical education and continuously try to improve the quality of our services.

We have now grown into a 1625 bed tertiary care hospital with 21 specialty and 21 super specialty services. We have a dedicated faculty of 225 consultants, supported by >300 residents and >4500 staff members. Every year we admit 150 MBBS students, 107 postgraduates in MD/MS, 35 in DM/MCh courses. Besides this we also admit 100 BSc nursing, 35 MSc nursing, 135 BSc and 100 diplomas in paramedical courses.

The hospital has grown in the last 60 years with the addition of the Hero DMC heart institute in 2001, ultramodern ICU block in 2003, research & development centre in 2014. We were one of the first few medical colleges to get NABH accreditation which we have maintained. In the last year, in 2025, we served more than 12 lakh patients in the OPD and around 1.06 lakh patients were admitted in the hospital. 32,526 surgical procedures were done.

All high-end equipment's including digital Cath labs (3 in number), 3.0 Tesla MRI, 384 slice CT scan, next generation sequencing genetic lab, high end autoanalyzer's, fibro scan, video EEG, endoscopic ultrasound (EUS), sleep lab etc. are available. The institution has facilities and does one of the largest numbers of high-end procedures like extra corporal membrane oxygenation (ECMO), continuous renal replacement therapy (CRRT), total arterial beating heart bypass surgery, physiological pacemaker, thoracic endovascular aortic repair (TEVAR), Whipple surgery, epilepsy surgery, endovascular neurological and neurosurgery procedures etc. The students have exposure to all these latest procedures and surgeries in the clinical postings during graduation.

Besides our emphasis on academics, we are a zero-ragging institution for last many years. The centrally air condition boys & girl's hostels are one of the best in the country. We have an active mentor mentee programme in which each student is attached to one faculty member and four fellow students from other batches. The group meets regularly and discusses academic and other social issues. We try to instil sports, cultural and oratory skills in our students. We have 14 clubs including the literary club, dance club, photography club, yoga club, football club, badminton club, green initiatives and environment club & street theatre club. The faculty members and the students actively participate in these clubs. We also try to instil compassion and social responsibilities amongst our students. In-fact a very active 'save the planet' group of our hospital regularly involves in tree plantation and their maintenance.

We have started a unique scholarship programme for meritorious students. Scholarships worth 6 crores will be given to students with good academic scores. The prospectus provides full information about this scholarship programme. We encourage our MBBS and postgraduate students to actively engage in research methodology and support them in undertaking research projects during their undergraduate and postgraduate training. To further promote a culture of research, the Management has initiated an Institutional Research Programme, through which intramural research grants amounting to ₹1.5 crore will be provided to students and faculty. To the best of my knowledge, this is a unique initiative among private medical colleges and reflects our strong commitment to fostering research and innovation.

Our MBBS students also organize an annual medical conference, NUMCON, which provides them with valuable exposure to organizing scientific events and participating in scientific sessions. Through this initiative, students learn scientific communication, teamwork, and event organization.

Our connect with our alumni is very strong and we regularly hold alumni meetings. The institution functions as a family with the students, faculty and the employees as important members. The management of the institution takes very keen interest in all the activities. We look forward to having you with us. We assure you that your tenure in the institution will be fulfilling in terms of academics, clinical experience, comfort of stay and over all development of your personality so that you are able to become an ethical, compassionate, confident doctor with all the modern-day requirements of skill and knowledge.

FROM THE DESK OF THE DEAN ACADEMICS

Dear Applicant,

Welcome to Dayanand Medical College and Hospital. The institution is focused on delivering high-quality medical education to its students. As per Competency Based Medical Education, we are using newer teaching learning and evaluation methods like self directed learning, small group discussions, quizzes, crossword puzzle etc. Hands on experiences using skill lab and simulation with technologies help to transform students into ethically driven, competent medical professionals to serve the society and the nation. We believe that every student deserves the right to avail quality education and thus we strive to provide it through our highly qualified, well experienced, dedicated faculty having academic as well as clinical experience.

A continuous improvement of the academic endeavour is made through regular feedback from students. We are continuously upgrading and adopting the best academic practices from time to time in delivering the highest level of medical education and try to utilize technologies like google form, interactive boards etc.

With the state of art infrastructure, modern laboratories equipped with latest equipments and the best utilization of clinical assets, hands on training through Skill Labs and clinical material, we are disseminating the knowledge in its purest form. The success of our undergraduate, postgraduate & research programs is supervised by our eminent faculty, who continue to set the standards for excellence. A research culture has taken shape in the institute through enhanced Research and Development activities. Our belief is in continuous development and we strive to carry on the best efforts and endeavors towards the benefit of the students. A number of clubs have been started to have holistic development. The groundbreaking scholarship empowers deserving students at the beginning of their academic journey.

I assure you will achieve your learning goals with the best experience at our Institute on a journey full of commitment, values and satisfaction.

I welcome you all with best wishes at Dayanand Medical College and Hospital as a part of DMC&H family.

ABOUT DAYANAND MEDICAL COLLEGE AND HOSPITAL

DMC&H extends a warm welcome to the students entering the new academic year. We hope that the unique learning experience and ambience at DMC&H will unlock potentials and help you achieve your dreams. We wish you the very best.

Introduction:

- A devoted personality, Dr. Banarsi Dass Soni, Ex. Capt. I.M.S., with a missionary zeal for medical education and patient care, conceived the noble idea of providing the much-needed medical care to the general public.
- This bloomed in the form of Arya Medical School in 1934. It was started in a rented building in Civil Lines, Ludhiana and admission was limited to only 20 students.
- The Medical School was recognized for Licentiate of State Medical Faculty (LSMF) in 1938 and also the running hospital attached to it. The following year, the Managing Body decided for that the Ludhiana Medical School should, in future, be called "Arya Medical School" and the hospital attached to it "Dayanand Hospital".
- In 1964, consistent with the policy of the Government, Arya Medical School flowered into a full-fledged MBBS College, which came to be known as 'Dayanand Medical College.' The management of this college was taken over by a galaxy of prominent people of Ludhiana, who formed an organization known as the "Managing Society of Dayanand Medical College & Hospital, Ludhiana", and Late Shri H.R. Dhanda, a prominent industrialist of the town, became its Founder-President.
- The college has come a long way, retaining its unique character, still marching ahead with the times and is upgrading itself dynamically in all fields of activities, DMC&H has been ranked among the top Medical Colleges of the country in surveys conducted by various agencies/magazines in North India.
- In the year 2006, DMC&H reached a new dimension with the introduction of super speciality courses. Today, besides running MBBS and MD/MS courses in 19 specialities, the institution offers 10 DM/MCh, 23 BSc/Diploma Paramedical courses, MPhil Clinical Psychology and PhD in Public Health Neurosciences. Critical Care Medicine was the first Superspeciality Course in the state.
- Since 2025, the MBBS Seats have been increased from 100 to 150 per year.
- Hero DMC Heart Institute (HDHI), a unit of DMC&H is a renowned centre for tertiary level cardiac care providing all types of diagnostic, interventional and surgical procedures. The centre performed largest number of procedures for congenital heart disease under NHRM.
- DMC&H Cancer Care Centre is a 100 bedded state-of-art facility for oncology patients and has become operational since April 2017.
- Since its inception, the institution has produced about 3300 graduates and 2200 post graduates (including super specialist's). The students and faculty have constantly strived for academic excellence, state-of-the-art health care provision, and high quality research competing with the best in the country. All the departments of the hospital are equipped with modern facilities to provide tertiary level health care services to the people of region.

A continuous emphasis on modern teaching methods, global links for research, student exchange and knowledge sharing, world class infrastructure, placement, diversity of students and institute interactions have consistently placed DMC&H students well ahead in every field.

Infrastructure Highlights with Research, Development and Innovation:

- DMC&H is an NABH accredited Medical College in the country and first in North India.
- The college is recognized for the MBBS Course by the National Medical Commission (NMC) and is affiliated to the Baba Farid University of Health Sciences (BFUHS), Faridkot.
- With modern air-conditioned lecture theaters, auditorium, seminar rooms, and labs with LCD Projectors and A-V System, DMC&H has smart classrooms' which very few medical institutions across the country have for UG & PG teaching.
- The college is affiliated to the Baba Farid University of Health Sciences, Faridkot for post graduate broad & super specialty) courses in all the branches.
- The institution also imparts training for DM Courses in Cardiology, Gastroenterology, Neurology, Nephrology, Critical Care Medicine; MCh Courses in Plastic Surgery, CTVS, Neuro Surgery, Urology and Surgical Onco.
- DMC&H has state-of-the-art Intensive Care Units (ICUs). A separate block has been set up having Medical ICU, Pulmonary ICU, Stroke ICU, Pediatric ICU, Surgery Obstetrics & Gynecology ICU, Trauma ICU and Neurosurgery ICU. Other important ICUs are Intensive Cardiac Care Unit (ICCU), Burns ICU, Neonatal ICU, BMT Unit in DMC&H Cancer Care Center, and Cath ICU & ICCU in HDHI.
- The emergency services at DMC&H are exceptional with facilities for triaging, isolation rooms, special Intensive Care Units and emergency operation theaters with recovery.
- HDHI with 192 beds, became operative in April, 2001 and has the state of the art investigative and treatment facilities. The Institute has already performed more than 1,08,760 catheter laboratory procedures and 22,128 O.T. procedures.
- Safe blood and blood products are available at DMC&H as all these products are screened by Nucleic acid Testing (NAT) for HIV and Hepatitis since 2012. It is the First and only institution in the state of Punjab to do this test for all blood donations.
- DMC&H Cancer Care Centre, a 100 bedded state-of-the-art facility with the specialties of Surgical Oncology, Medical Oncology and Radiation Oncology has become operational since April, 2017. It is equipped with True-beam Radiotherapy facility, PET-CT Scan, Modular Ots, Bone Marrow transplant (BMT) and Day care Centre for chemo therapy (delivering all kinds of chemotherapy, immunotherapy, targeted treatment) apart from regular wards & private rooms.
- DMC&H College of Nursing is one of the most modern and well-equipped Nursing Colleges of Punjab, with excellent on-job training on a sprawling campus at Malakpur. It imparts training for BSc (Nursing), MSc (Nursing) and NPCC.
- DMC&H College of Physiotherapy has started with 50 seats
- We are first in North India to start MPhil (Clinical Psychology) and PhD (Public Health Neurosciences)
- The institution has well-developed urban and rural health care delivery systems, with residential facilities for training of students and interns under the department of Community Medicine. Model for learning and patient care for health care delivery and Community Oriented Learning have been developed in these areas, in addition to research on community health problems. These have been widely acknowledged.
- Wi-Fi enabled hospital to provide wireless access to doctors & students.
- Bus Transport facility to connect college and hospital various campus.
- Besides this the institution offers community based activities, health education activities, Ambulance services and free services to poor patients.

- Research and development wing has been started in the hospital to enhance the research activities among students and faculty.
- Genetic lab has been setup at DMC&H to evaluate the patient for better outcome in various diseases.
- The citizens of Ludhiana and other places have always been kind in extending their helping hand in building up this institution. Above all, the Central and State Governments and many dignitaries. deserve gratitude for their co-operation and interest in the development of the College and the Hospital. This institution has come up by the sheer dint of hard work and sincere efforts of the management, faculty and staff. The faith and patronage of the patients from Punjab and adjoining states has contributed in making DMC&H as one of the premier medical institutions.
- Liver transplant, Kidney transplant, Bone marrow transplant and Corneal transplant programmes are running actively and serving patients of this region. Very shortly we will be starting Heart transplant programme also.

Today, DMC&H is one of the most preferred highly recognized and top ranked MEDICAL COLLEGE in India.

7. Funding

- The scholarship monies would come from corpus/funds created through donations, and/or institutional reserves.
- In case any donor wants to support a particular candidate, he/she can directly transfer the funds to the institution along with the name of candidate. However all the conditions for grant/continuation of scholarship shall apply.

8. DISBURSAL MECHANISM

- On scholarship day i.e. 6th January every year, the scholarship amounts would be credited by DMC&H directly to the applicant's appropriate bank account (first instalment of fee has to be deposited directly with BFUHS by the concerned applicant and will be reimbursed after joining and attending 30 days of regular classes).
- In case of partial scholarships, the balance fee should be paid by the student in advance before the last date of fee deposit.
- Scholarship amounts would be paid directly to the student fee account of DMC&H provided student continuous to fulfil the scholarship criteria.

- **All students selected for scholarships have to submit the bank guarantee/surety bond as per proforma given in the prospectus.**

9. MONITORING & REVIEW

- An annual review of the policy and awardees' performance would be done by Dean Academics, as per criteria and presented to the Scholarship Committee.

• Cancellation

Should a student withdraw from the course, or is expelled, or if any information provided to avail the scholarship is found false at any time, the scholarship would be cancelled with immediate effect. The full course fees would thereafter need to be paid to DMC&H alongwith a 50% penalty. (An affidavit would have to be submitted to this effect).

• Prizes/ Awards

In order to give opportunity to others, the same student cannot be awarded more than once during his/her course.

• Employee ward Scholarship

- There should be no adverse employment record; there should be no disciplinary action or court proceedings (past or pending) against the employee or initiated by the employee. If any such issue emerges before, during, or after the scholarship period, DMC&H is entitled to recover the scholarship amount in full or in instalments over a period of two years (or at the discretion of the Scholarship Committee) to recover the full amount along with penalty of 50% of the scholarship amount.
- The scholarship would be valid only while the parent is actively employed at DMC&H. If the parent voluntarily resigns, the scholarship support would cease from that point. If the services are terminated by DMC&H, the latter would also recover the scholarship amount already paid. However, if he/she retires after two years of grant of scholarship, the scholarship would continue. All employees availing the benefit of the Employee Ward Scholarship shall submit an affidavit declaring that they have atleast two years of service before retirement at the time of admission.
- In all cases (including above) where a student withdraws from the College, he/she will have to pay balance fees of the course, besides the above mentioned.

TYPES OF SCHOLARSHIPS

A. For students seeking admission in MBBS course for the year 2026-27:

A1 Merit:

Number of Scholarships: 3+5 = 8 (Eight)

Objective: To attract a cohort of high-quality students who secured top rankings in NEET (Punjab merit list), and who are granted admission to DMC&H. Thepresence of such a cohort would benefit the current students of DMC&H, as well gradually transforming the eco-system of the college into and even more scholarly one.

Eligibility: Students ranked amongst the top 30 in the NEET examination (Punjab merit list) and who have secured admission to the MBBS degree course at DMC&H under Govt. Quota

Number of Scholarships: 3 (Three) Among the top fifteen rank holders: Three Full scholarships (all fees plus hostel charges, wherever applicable) will be awarded in order of merit among first three rank holders till 15th rank who join DMC&H.

Number of Scholarships: 5 (Five)
If more than 3 students among top 15 rank holders in NEET Punjab merit list join DMC&H, the fourth student and onwards will be considered for 50% scholarship along with those ranked 16th to 30th.

These 5 scholarships till rank 30 in descending order of merit will be for 50% of the full fee amount including hostel charges (wherever applicable):

A2 Means Based Scholarship

To support parents who cannot otherwise afford to provide quality medical education to their children in private institutions, and who have secured admission to DMC&H under Govt. Quota:

Number of Scholarships: 2+5+5 = 12 (twelve)

Eligibility: Wards with parental income of Rs. 8 lacs and below per annum and EWS Certificate holder.

- **Two** 100% scholarships including hostel fee wherever applicable.
- **Five** 50% scholarships including hostel fee wherever applicable.
- **Five** 25% scholarships including hostel fee wherever applicable.

All applicants should have been ranked at NEET (Punjab Merit) top 400 positions. In case the number of applicants exceeds the number of scholarships, then the applicants with highest NEET scores will be selected.

A3 Employee Ward Scholarship: 1+4 = 5 (five)

The employee-ward scholarship scheme is designed to reward long-term commitment to DMC&H and to encourage employees to continue their association with the institute.

Eligibility: Children (wards) of doctors or other employees who hold regular, full- time positions at DMC&H, and have completed at least 10 years of service at the institute. There should be no adverse employment record, disciplinary action or court proceedings (past or pending) against the employee or initiated/ continuing by the employee.

The scholarship would be valid only while the parent is actively employed at DMC&H. If the parent voluntarily resigns or his services terminated, the scholarship support would cease from that point. However, if the student leaves his/her course midstream, he/she would have to pay the balance fees along with 50% penalty of the scholarship amount, since his/her seat would continue to be vacant and some other deserving student who was deprived of this scholarship.

Number of Scholarships: 1(One)

100% of fee (without hostel):
This scholarship is reserved for wards of DMC&H staff having annual income of Rs 10 lacs (combined income of both parents of ward) and below.

Number of Scholarships: 4 (four)

75% of fee (without hostel):
In case the number of applicants exceeds the number of scholarships available, those with highest NEET scores would be selected from the merit list prepared in descending order of merit.

A4 Defence: 2 (two)

The Scholarship Committee will award scholarships covering 50 % of fees (including hostel fees, if applicable) to wards of serving/Retired (honourable) Indian defence Forces (Army/Navy/Air Force only). In case the number of applicants exceeds the number of scholarships, then the applicants with highest NEET scores will be selected.

A5 Wards of Defence Services who die in harness (Physical Casualties): 2 (two)

The Scholarship Committee shall award scholarships covering 50% of the fees (including hostel fees, wherever applicable) to wards of Indian defence personnel (Army, Navy, and Air Force only) who died in harness (physical casualties). In case the number of applicants exceeds the available scholarships, selection shall be made on the basis of higher rank in Punjab merit.

A6 Single Girl Child 2 (two)

The Scholarship Committee shall award two scholarships covering 50% of the fees (including hostel fees, wherever applicable) to single girl child. In case the number of applicants exceeds the available scholarships, selection shall be made on the basis of higher rank in Punjab merit.

A7 Awards for Students doing MBBS in DMC&H

i. **Annual merit award for existing students:2+2+2+2 = 8 (Eight)**
Each academic year, two awards of Rs 1 lac each would be given to the two best performers (first two college positions in First Prof, Second Prof and Final Prof Part-1 and Part-2).

(7) Necessary mechanisms shall be kept in place by the medical colleges or institutions for immediately relaying information regarding incidents of ragging to the University, district authorities, police officials.

22. Immediate action:-

(1) On receiving the information of an incident of ragging, the Anti- Ragging Squad or an appropriate authority shall make an immediate on-the-spot enquiry and submit a report or recommendations to the Head of the Institution.

(2) The Head of institution shall, immediately on receipt of such information or recommendation, determine if a case under the penal laws is made out after inquiry as specified in regulation 23, proceed to file a First Information Report within twenty-four hours of receipt of such information or recommendation either on his own or through a member of the Anti-Ragging Committee or an official authorized by him in this behalf, with the police and local authorities, under the appropriate penal provisions.

(3) If a parent or student directly files a First Information Report with the police, the Head of the medical college or institution is not absolved of the responsibility of filing a First Information Report.

(4) The Head of the Institution shall also inform the University to which such medical college or institution is affiliated and the Nodal Anti-Ragging Authority of the District and the Commission.

23. Institutional inquiry or investigation and report:-

(1) The Head of the Institution shall constitute a specific committee to inquire into or investigate the incident of ragging without waiting for the report of any other authority, even if this is being investigated by the police or local authorities.

(2) The inquiry or investigation shall be conducted thoroughly including on-the-spot or site of the incident in a fair and transparent manner, without any bias or prejudice, upholding the principles of natural justice and giving adequate opportunity to the student or students accused of ragging and other witnesses to place before it the facts, documents and views concerning the incident of ragging, and considering such other relevant information as may be required.

(3) The entire process shall be completed and a report duly submitted within seven days of the information or reporting of the incident of ragging.

(4) The report shall be placed before the Head of the Institution or the Anti-Ragging Committee.

(5) The Anti-Ragging Committee shall examine the report, decide on and recommend further administrative action to the Head of the Institution.

24. Institutional administrative and penal actions:-

(1) Every medical college or institution shall, after receiving the recommendations of the Anti-Ragging Committee under regulation 23, take necessary administrative action as it may deem fit.

(2) The Anti-Ragging Committee, on accepting the report of the institutional inquiry or investigation by the appropriate committee, shall recommend one or more of the actions provided under sub-regulations (5) and (6) depending on the nature, gravity and seriousness of the guilt established of the act of ragging as given under the provisions of Chapter II with the understanding that the action shall be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents:

(3) Where the individual person committing or abetting an act of ragging is not identified on the basis of the findings of the institutional inquiry or investigations, and the subsequent recommendations thereof, the medical college or institution thereof shall resort to collective punishment of more than one or a group of persons, as deemed fit, as a deterrent to ensure community pressure on the potential raggers.

(4) The broad ingredients that may call for punitive actions on receipt and approval of the recommendations include but is not limited to

(i) Abetment to ragging;
(ii) Criminal conspiracy to ragging;
(iii) Unlawful assembly and rioting while ragging;
(iv) Public nuisance created during ragging;

(v) Violation of decency and morals through ragging;
(vi) Physical or psychological humiliation;
(vii) Causing injury to body, causing hurt or grievous hurt;
(viii) Wrongful restraint;
(ix) Wrongful confinement;
(x) Use of criminal force;
(xi) Assault as well as sexual offences or even unnatural offences;
(xii) Extortion in any form;
(xiii) Criminal intimidation;
(xiv) Criminal trespass;
(xv) Offences against property;
(xvi) Any other act construed as provided under regulations 3 and 4.

(5) The nature of punitive actions that may be decided shall include the following, but shall not be limited to one or more of these actions that may be imposed, as deemed fit, namely:-
(i) Suspension from attending classes and academic privileges;
(ii) Withholding or withdrawing scholarship or fellowship and other benefits;
(iii) Debarring from appearing in any test or examination or other evaluation process;
(iv) Withholding results;
(v) Debarring from attending conferences, and other academic programmes ;
(vi) Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc. ;
(vii) Suspension or expulsion from the hostel;
(viii) Imposition of a fine ranging from twenty-five thousand rupees to one lakh rupees;
(ix) Cancellation of admission;
(x) Rustication from the medical college or institution for a period ranging from one to four semesters;
(xi) Expulsion from the medical colleges or institutions and consequent debarring from admission to any other institution for a specified period.

(6) Without prejudice to the provisions of regulation 8, it shall be mandatory upon the medical college or institution to enter in the Migration Certificate or Transfer Certificate issued to the student as to whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others.

(7) Any other measure as directed by Courts of law shall be followed by the medical college or institution.

(8) The Head of the Institution shall follow-up the information regarding the incident of ragging provided under sub-regulation (4) of regulation 22, to the University to which the medical college or institution is affiliated with a report regarding the findings of the institutional level inquiry or investigation and the actions taken thereof.

(9) The Head of the Institution shall provide a report regarding the incident of ragging and the actions taken thereof to the Commission having informed earlier according to the provisions of sub-regulation of regulation 22.

25. Appellate authorities:-

Every person who have been awarded punitive measures or punishments shall, in view of the principles of natural justice, have the right to appeal with the following, namely:-

(a) For decisions or orders at the level of the medical college or institution:
(i) The Vice Chancellor of the University to which the such medical college or institution is affiliated;
(ii) The Director or Chief Executive Officer, in the case of institutions of national importance;

(b) For decisions or orders at the level of the University:
(i) The Chancellor of the University to which the medical college or institution is affiliated;
(ii) The President in the case of institutions of national importance.

26. Fixing of responsibility:-

(1) In addition to the inquiry or investigation of the incident of ragging, it shall be appropriately inquired as to if there has been any dereliction of duty or lapse by the medical college or institution in preventing and handling such incident.

(2) The Head of the Institution shall take prompt and appropriate action against each person whose dereliction of duty led to the incident.

(3) In case the lapse is on the part of the Head of the Institution, the authority designated to appoint the Head of the Institution shall, in its turn, take prompt and appropriate action.
(4) In addition to appropriate penal consequences, departmental enquiries may be initiated against such Heads of Institutions or members of the administration or faculty members or non-teaching staff and others who display an apathetic or insensitive attitude towards complaints of ragging.
(5) Remedial measures shall be instituted by the medical college or institution based on experiences.
(6) The University and the Commission shall be informed regarding the actions taken under the provisions of this regulation.

27. Functions of affiliated University:-

(1) The University to which the medical college or institution is affiliated shall be informed of the incident of ragging by such medical college or institution as required under sub-regulation (7) of regulation 21.
(2) The University shall receive the report regarding the inquiry or investigation and action taken from the medical college or institution.
(3) The University shall act as the Appellate Authority as provided under regulation 25.
(4) The University shall take action as it may deem fit in accordance with the provisions of regulation 17.
(5) The University shall ensure compliance of orders or directions, if any, from the Court of law.

28. Functions of Commission:-

(1) The Commission shall be informed of the incident of ragging by the medical college or institution as required under sub-regulation (7) of regulation 21.
(2) The Commission shall receive the report regarding the inquiry or investigation and action taken including the outcome of appeals, if any, from the medical college or institution and the University.
(3) The Commission shall, on review of the reports, take appropriate action as in accordance with the provisions of regulation 18.
(4) Without prejudice to the provisions of sub-regulations (1) to (3), the Commission may take the following actions, if it deems fit, namely:-
    (a) Impose an exemplary fine of one lakh rupees for each incident of ragging payable by the erring medical college or institution to such authority as may be designated by the appropriate Government, as the case may be; or
    (b) Declare the erring medical college or institution or University, as not having the minimum academic standards and warning the potential candidates for admission at such medical college or institution or University through public notice and posing on the Commission's website; or
    (c) Declare the erring medical college or institution or University to be ineligible for preferring any application under the provisions of Chapter VI of the National Medical Commission Act, 2019 for a minimum period of one year, extendable by such quantum by the Commission as would be commensurate with the wrong.
