TEN PRINCIPLES OF ARYA SAMAJ

1. God is the ultimate source of all true knowledge and of the objects that are known by its means.
2. God is existence, intelligence and the Sat-Chit-Anand. He is formless, almighty, just, merciful, unborn, infinite, unchangeable, beginningless, incomparable, the support and Lord of all, all pervading, omniscient, imperishable, immortal, exempt from fear, eternal, holy and the Maker of the Universe. To Him alone worship is due.
3. The Vedas are books of true knowledge. It is the paramount duty of all Aryans to read them and to teach them, to hear them, to read and to read them to others.
4. We should always be ready to accept truth and renounce untruth.
5. All actions should be done in conformity with Dharma after due consideration of right and wrong.
6. The primary aim of the Arya Samaj is to do good to all mankind i.e. to promote their physical, spiritual and social welfare.
7. We should treat all people with affection and justice and with due regard to their merits.
8. We should aim at dispelling ignorance and promoting knowledge.
9. No one should remain satisfied with his own welfare. He should regard his welfare as a part and parcel of the welfare of all.
10. In matters, which affect the well being of all, a person should give a subordinate place to his personal likings. In matters, which affect him alone, he is to enjoy freedom of action.

MESSAGE FROM THE MANAGING SOCIETY DMC&H

Dayanand Medical College & Hospital is an NABH accredited, non-aided and not-for-profit charitable institute. It is registered under the Societies Registration Act, 1860 and is managed by Dayanand Medical College & Hospital Managing Society. DMC&H is the largest hospitals in India, our Medical college being ranked amongst the top Medical Colleges in the country by various surveys over the past many years. in effect, we are the most coveted Medical College in Punjab.

DMC&H was conceived in a rented building as Ludhiana Medical School in 1934 by late Dr. Banarsi Dass Soni, Ex Cap. I.M.S. with the noble idea of providing medical care the community. While the name was later changed to Arya Medical School, and thereafter to the present DMC&H, the spirit of serving society continues till today. From a rented building in 1934 to our current 72 acre facilities, It has been a dream journey. Be it our sprawling College campus, or fully equipped 1625 bedded Hospital, or College of Nursing, besides our satellite units in rural and urban areas, we are the preferred destination for students as well as patients from far flung areas. We are now a full-fledged Medical College and tertiary care Teaching Hospital, with the vision to be a model of excellence in healthcare, medical education and research. Our 1625 patient beds are supported by a staff of 5200 employees including 600-doctors, treating more than 4000 outdoor & 1000 indoor patients daily by state of the art equipment in the diagnostic services. We are dedicated to provide medical care allied with compassion & competence and to deliver highest standards of education in medical and allied fields. Hospital information system (HIS) connects all the hospital campuses and health centers across the city.

Dayanand Medical College is running MBBS, Postgraduate (Broad / Super Speciality), fellowship Programs, MPhil (Clinical Psychology), PhD (Public Health-Neurosciences), BSc and MSc (Nursing), NPCC and various Paramedical Degree & Diploma courses. Admissions in all courses at this college are done on the merit-base, through Baba Farid University of Health Science / Medical Counseling Committee.

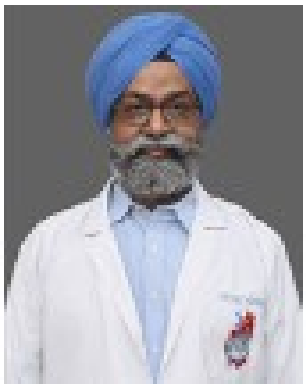

DMC&H has a Scholarship Program worth over 6 crore, a first of its kind initiative by a private Medical College in the state to make medical education accessible to those who deserve but are without the necessary means, based on merit, economically challenged and deserving students pursuing MBBS, BSc Nursing, Allied & Healthcare courses. The initiative aims to promote quality education and inspire academic excellence.

We have well equipped specialized units like Hero DMC Heart Institute dedicated to patients with cardiac diseases and DMC&H Cancer Care Centre for patients with cancer diseases; Department of Critical Care Medicine for special treatment to the critically ill patients; Genetic Laboratory; IVF Centre; and Renal Transplant Unit. The Research & Development Centre actively supports our research activities by providing one stop solution for the research and dissertation requirements of students.

The institute provides subsidized treatment to patients with Cancer, Thalassemia, Cardiac & knee replacement surgery and to those who need financial support. About 80% of the patients come to our hospital from rural areas or economically weaker sections of society. Our Rural and community outreach programs serve the people in rural and slum areas by providing specialist care at highly subsidized treatment (including investigations) to them. Good quality medicines are provided with the lowest cost to the patients through our chain of Pharmacy outlets at the hospital and health centers.

Wishing all students a memorable stay at this institution and best of times ahead. For us, as we complete 100 glorious years in 2034, the journey has just begun !!

FROM THE DESK OF THE PRINCIPAL, DMC&H

Dear Applicant,

It gives me immense pleasure to greet you on behalf of Dayanand Medical College & Hospital (DMC&H), Ludhiana.

Over the years, our medical institution has strived to attain excellence in medical and nursing education, teaching and patient care. Presently, our hospital is considered as one of the leading teaching hospitals in the country. We provide the most modern teaching aids for our students. Our lecture theaters are air-cooled and have the facility for routine use of multimedia projection for a comfortable learning environment. In fact, the institution is always endeavoring hard to adopt latest teaching skills and aids to improve the quality of education.

At DMC&H, we endeavor to constantly instill strength and character in our students to take up the role of future guardians of health care and be the masters in the art of healing. At the same time, I sincerely hope that you will provide yeoman services in removing human misery and pain. Services to human beings are service unto God.

I wish you all the best for a bright future. God bless you !

INTRODUCTION

DMC&H extends a warm welcome to the students entering the new academic year. We hope that the unique learning experience and ambience at DMC&H will unlock potentials and help you to achieve your dreams. We wish you the very best.

A devoted personality, Dr. Banarsi Dass Soni, Ex Capt. I.M.S., with a missionary zeal for medical education and patient care, conceived the noble idea of providing the much-needed medical care to the general public.

This bloomed in the form of Arya Medical School in 1934. It was started in a rented building in Civil Lines, Ludhiana and admission was limited to only 20 students.

The Medical School was recognized for Licentiate of State Medical Faculty (LSMF) in 1938 and also for the running hospital attached to it. The following year, the Managing Body decided that the Ludhiana Medical School should, in future, be called “Arya Medical School” and the hospital attached to it “Dayanand Hospital”.

In 1964, consistent with the policy of the Government, Arya Medical School flowered into a full-fledged MBBS College, which came to be known as “Dayanand Medical College”. The management of this college was taken over by a galaxy of prominent people of Ludhiana, who formed an organization known as the “Managing Society of Dayanand Medical College & Hospital, Ludhiana”, and Late Shri H.R. Dhanda, a prominent industrialist of the town, became its Founder-President.xs

The college has come a long way, retaining its unique character, still marching ahead with the times and is upgrading itself dynamically in all its fields of activities. The institution has been rated among the top 15th medical colleges of the country and has been declared by CII Lombard to be among the top 10 multi-speciality hospitals in the country.

In the year 2006, DMC&H reached a new dimension with the introduction of superspeciality courses in Cardiology, Gastroenterology and Plastic Surgery first in the state. Today, besides running MBBS and MD/MS courses in 19 specialties, 10 DMC/MCh and 22 B.SC./Diploma Paramedical Courses.

Hero DMC Heart Institute, a unit of DMC&H is a renowned centre for tertiary level cardiac care providing all types of interventional and surgical procedures did large number of cognitional cardiac default surgery under NHRM.

Since its inception, the institution has produced about 4000 graduates and 220 post graduates. The students and faculty have constantly strived for academic excellence, state-of-the-art health care provision, and high quality research competing with the best in the country. All the departments of the hospital are equipped with modern facilities to provide tertiary level health care services to the people of the region.

DMC&H College of Nursing is one of the most modern equipped nursing colleges in Punjab. It is widely recognized as center of excellence in the field of Nursing Education with excellent job training facilities in North Zone. The College is affiliated to Baba Farid University of Health Sciences, Faridkot, recognized by Indian Nursing Council, New Delhi, Punjab Nurses Registration Council, Mohali and is approved by Punjab Govt.

The School of Nursing was started in 1954 with an idea to train Auxiliary Nurse Midwives. In 1969; the school was upgraded to 3 years General Nursing Course. School of Nursing was affiliated to the Punjab Nurses Registration

Council, Chandigarh and recognized by the Indian Nursing Council, New Delhi. It admits 50 students to the General Nursing & Midwifery (GNM) course every year. GNM course has been phased out in 2008 and specialized nursing courses were added.

The College of Nursing came into existence in October 2002. It admits 100 students in B.Sc. Nursing Course and 30 students in Post Basic B.Sc. Nursing course every year. However, Post Basic B.Sc. Nursing course was phased out in 2011. In addition institute has started Master of Sciences in nursing in 2010 with five specialties Psychiatric Nursing (5), Pediatric Nursing (2), Community Health Nursing (6), Obstetrical Nursing (6) and Medical Surgical Nursing (6). In 2017, Nurse Practitioner course in critical care was started with annual intake of 10 students.

DMC&H College of Nursing is shifted to new campus at Malakpur, Hambran road, Ludhiana in the year 2017. The institution has a highly qualified and experienced faculty, many of whom have received national and international recognition for their research and publications. There are frequent visits of guest lecturers from national and international universities, which bring their research and development into classrooms.

The College has well-equipped laboratories of Nursing Foundation, Nutrition, Maternal and Child Health Nursing, Community Health Nursing, Anatomy, A.V Aids with latest equipments i.e. bandaging simulators, injectable simulator, I/V arms, breast examination model, manual labour manikin, adult and baby CPR simulators and instruments. Laboratories of Anatomy, Physiology, Pathology, Microbiology and Skill lab of Medical College are also used for B.Sc. Nursing Students. College has computer lab with internet facilities.

There is a well-equipped separate library for nursing students with all the modern facilities like CBSCO app. The library has approximately 4570 nursing books, 17 national and international nursing journals as well as E-journal are subscribed yearly. In addition, there is main Library in the hospital, which is equipped with a large number of professional books and journals.

The College has air conditioned classrooms with modern facilities. To enhance the presentation of academic exercises like lectures, seminars etc., the institute has a good Audio-visual setup with L.C.D. projector, overhead projector, slide projector, TV, Interactive Panel, Sound system, models and charts for the use of the faculty and students.

A continuous emphasis on modern teaching methods, global links for research, world class infrastructure, placement, diversity of students and institute interactions have consistently placed DMC&H College of Nursing students well ahead in every field,

The college possesses good and comfortable accommodation for girls with all the facilities including round-the-clock security, entertainment, boarding and mess. Hostel rooms have attached bathrooms and geysers. Safe drinking water is available for students. Hostel has green pasture lawns, sports courts i.e. badminton, basketball, volley ball, and kho-kho as well as Gym and beauty salon.
