Subject: Conversion of Diploma Seats into corresponding Degree Seats - reg.

Sir,

This is to inform that the Board of Governors considered the matter with regard to conversion of Diploma Seats into corresponding Degree seats from the academic year 2020-21 along with the request of the institute received through Central Govt. after notification dated 12/07/2018 as well as the recommendations of the PG Expert Group (BoG) on the basis of information furnished by the institute(s) as desired by the Council and decided to recommend to the Central Government for conversion of the postgraduate diploma course seats into corresponding degree seats prospectively i.e. from the academic session 2020-2021. (As per the list attached)

The permission to convert postgraduate diploma seat(s) to degree seats is subject to affiliation of additional PG degree seats by the concerned University.

The Institutes are required to obtain the affiliation from the concerned affiliating University with regard to above enhanced intake capacity of the degree courses before admitting the students.

In view of above, you are requested to issue Notification/ letter recognizing the above mentioned degree seats for the purpose of inclusion in the first schedule of the IMC Act, 1956 as is done in respect of recognition cases against increase of degree seats.

The Ministry is further requested that while issuing the Notification/ letter of recognition as stated above, it may be clearly stated that the said recognition was granted to degree seats created by way of surrender and conversion of diploma seats, so that the confusion as regard to timeline of recognition of degree seats is avoided.

Yours faithfully,

Conc Dept
