DAYANAND MEDICAL COLLEGE & HOSPITAL

CME –“TROPICAL FEVER–an update”

October 9, 2021

Organized by
Department of Microbiology

VENUE

**Auditorium, College Campus,
Dayanand Medical College & Hospital
Civil Lines, Ludhiana**

INVITATION

Dear colleagues and friends,

A warm welcome to all delegates for **CME - "TROPICAL FEVER-an update,"** on Saturday, October 9, 2021 at College Campus, DMCH, Ludhiana.

Every year different parts of India are affected by seasonal fevers including Dengue, Malaria, Scrub typhus, Leptospirosis, Chikungunya and enteric fever leading to high morbidity & mortality. These fevers have overlapping clinical presentation, which requires multipronged approach for case detection, appropriate management and prevention.

We hope this CME will be a good learning exercise for all. We ensure it to be a good feast.

Looking forward to see you

Organising Secretary
Dr. Veenu Gupta
98147-36051

Joint Organising Secretaries

Dr Rama Gupta
98141-19432

Dr Jyoti Chaudhary
