From The Desk of Organizing Committee

Dear friends,

Greetings

On behalf of the organizing committee of the "HIV UPDATE-2012" I am pleased to inform you that we will hold a collaborative meeting focused on issues related to HIV/AIDS in present time at Hotel "PARK PLAZA" in Ludhiana on 15th July, 2012 (Sunday). This will be from 6.00 pm onwards followed by dinner at 9.30 pm. In this CME various issues of clinical interest related to HIV patients will be discussed. You will hear from various speakers from across India who have made remarkable achievement in the field of HIV Medicine. The topics would be of benefit to Post-graduate students, Physicians involved in HIV care and Clinicians in various specialties. While some talks will be of basic interest, there will be issues like antiretroviral side effects, resistance and latest managements in the field of HIV and AIDS treatment that may be of interest to the busy clinicians.

We do not propose to have any registration fees for this HIV UPDATE-2012 in order to encourage both clinicians and students in the field of HIV/AIDS treatment. However it is a prerequisite to register yourself. I would be thankful if you could send us a list of individuals from your department/Institution/Clinic who would be interested in attending this CME so that we could invite them directly.

Finally, I hope to see you all in LUDHIANA a mini Manchester of Punjab.

Best wishes

S. R. Shahi

Note : Accreditation by "Punjab Medical Council" applied for.

Please don't forget to bring the State Medical Council Number
