PUNJAB STROKE AND INTERVENTION CONFERENCE

DMC&H Ludhiana

August 3-4, 2024

Welcome Message

Dear Friends and Colleagues,

It is our utmost pleasure and honour to invite you all to the '**Punjab Stroke and Intervention Conference (PSICON) – 2024**', being held at **Dayanand Medical College, Ludhiana** on **3rd and 4th August 2024**. The conference is dedicated to the art and science of management of acute stroke patients and would focus on the latest strategies, research, and technologies in stroke intervention management. The theme of the conference is "BOOST: Bridging knowledge gaps to Optimize Outcomes in Stroke Therapeutics." The conference sessions would include

- Identification and Emergency management of acute stroke
- Controversies and consensus in stroke therapies
- Expanding spectrum of interventional stroke management
- Expanding horizons of mechanical thrombectomy and stenting
- Ready reckoner for clinicians in the management of stroke and heart disease

The highlights of conference would include

- Debates and panel discussion on newer aspects of stroke management
- Hands on workshop for acute stroke interventions
- Live demonstration of DSA and carotid stenting
- Stroke thrombolysis Masterclass

We assure you that the social program will be enchanting too.

We look forward to welcoming you to Ludhiana.
